HIGH TECH

Smart Scouter

Eliminate scent and disruption in the woods by using a trail camera you don't have to keep checking on. Save time, money and gas by getting your trail camera photos sent directly to your e-mail or webpage! A smart PIR system eliminates false triggering, and 50 infrared LED bulbs give you a long-range invisible flash. Smart Scouter takes motion/heat-triggered photos and offers a time lapse photo option.

Moultrie Feeders

The new Game Spy 200 features a healthy 3.1 mega pixel resolution for incredibly clear and crisp images of the game on your hunting land. It takes full-color pictures day or night and can take live-action video clips during the day. Other features include the ability to view pictures on a TV or computer monitor and the capability to accept a 1 GB SD card. Also, the 30-foot flash captures animals other cameras miss.

FINALLY A SCENT ELIMINATOR THAT SPRAYS UPSIDE DOWN!!!

	Clogging	Re-Pumping	Sprays Upside Down
Eliminator 360	NO	NO	YES
Other Scent Eliminators	YES	YES	NO

Jack's Juice has created the most advanced scent eliminators of all time. Not only do they eliminate odor, but they come with absolutely no clogging or repumping. Your leading brands always clog up everytime you spray your pants or boots and you have to repump every few seconds just to get it to spray. Well this deer season get Eliminator 360 and those days of repumping are over.
